Follow-up clinic

Humanitarian AI Training Kit

De-identified questions only

Ground rules

- No beneficiary names, case numbers, or precise locations
- Facilitator may pause and refer to host contact if sensitive data appears
- General guidance only, not legal advice

Quick pulse

Since Session 3:

- What did you try?
- What stopped you?

Use chat or poll.

The screen still applies

1. Purpose and alternative
2. People and partners
3. Data
4. Tool and vendor
5. Verification
6. Human control
7. Monitoring and stop

Possible themes

- Unclear tool approval
- Fear of making mistakes
- No time to verify
- Waiting for organizational policy

Q&A

Pre-submitted questions answered with G/A/R framing.

Peer exchange

One success, one barrier.

No organization ranking.
