Session 1: Responsible AI foundations	[date]	[time]	90 minutes	[link or room]
Session 2: Verified work by role	[date]	[time]	90 minutes	[link or room]
Session 3: Governance and adoption	[date]	[time]	90 minutes	[link or room]
Follow-up clinic (optional)	[date]	[time]	60 minutes	[link or room]

Before Session 1

1. Complete the pre-assessment (10 minutes): [link to form or attach PDF]
2. Read the participant handbook (or attached PDF)
3. Review the technology and accessibility checklist and request any accommodations by [deadline]
4. Optional: read the one-page AI use decision guide

Session 1 agenda (90 minutes)

Time	Topic
0:00 to 0:10	Welcome, ground rules, short diagnostic

Time	Topic
0:10 to 0:25	AI types, accountability, and limitations
0:25 to 0:45	Worked example: checking a draft against a source
0:45 to 1:10	Group exercise: evacuation SMS case (synthetic)
1:10 to 1:25	Debrief
1:25 to 1:30	Close and one action for work

Materials: Worksheet link [URL]. Case text will also be emailed as plain text for low-bandwidth access.

Participation options

- **Standard:** Video or audio plus chat; breakout groups when platform allows.
- **Synchronous low-bandwidth:** Dial-in by phone [number] plus typed chat; no video required.
- **No breakout:** Plenary-only route available on request; contact [email] by [deadline].
- **Captions:** [On/off and who manages them]

Ground rules

- No real case data in chat or shared documents.
- Cameras optional.
- If you need to share a sensitive workplace situation, contact [safeguarding or HR contact] outside the session; facilitators will refer you to organizational focal points.
