Session 1 facilitator run sheet

Session 1 facilitator run sheet

Responsible AI foundations | 90 minutes | Level 1

Time	Activity	Facilitator actions	Materials
0:00 to 0:10	Opening and diagnostic	Welcome; ground rules (no real case data in chat; cameras optional); four recall questions	Slides 1 to 3; diagnostic handout
0:10 to 0:25	Teach: AI types and accountability	Explain generative vs predictive vs automation; who is accountable; limitations	Slides 4 to 7; speaker notes
0:25 to 0:45	Worked example: source check	Walk through draft vs bulletin; model marking supported/contradicted/not established	Slides 8 to 10; Case 01 excerpt
0:45 to 1:10	Group exercise: evacuation SMS	Groups apply seven-step screen; assign reader, recorder, risk challenger, source checker	Worksheet; Case 01 full
1:10 to 1:25	Debrief	Each group reports one protection/localization issue and G/A/R; facilitator consolidates	Answer key
1:25 to 1:30	Close	One-rule recall; each participant writes one action	Slide 14; evaluation form optional

Roles in groups (rotate between sessions)

- **Reader:** reads source aloud or in chat
- **Recorder:** fills worksheet
- **Risk challenger:** argues for amber/red
- **Source checker:** tracks evidence column

Timing buffers

- If behind at 0:40: shorten teach block by 5 minutes; keep group exercise
- If ahead at 1:15: optional pair share of action plans

Accessibility checks

- Describe visuals on slides
- Accept typed responses in chat as equivalent to spoken reports
- Offer plenary-only route if breakouts are inaccessible
