Session 1 participant worksheet

Session 1 participant worksheet

Case: Wildfire evacuation SMS (SYNTHETIC)

Part A: Source check

Source W1 (fictional bulletin, 10:00): “Reception Centre A is open. Only Entrance E provides step-free access. This bulletin does not confirm any road route. Updates must come through the local authority’s established alert service.”

Draft: “Road B is open to Reception Centre A. All entrances are step-free. Go directly there now.”

Draft statement	Supported / Contradicted / Not established	Notes
Road B is open		
All entrances are step-free		
Go directly there now		

Part B: Seven-step screen

Step	Your notes
1. Purpose and alternative	
2. People and partners	
3. Data	
4. Tool and vendor	
5. Verification	
6. Human control	
7. Monitoring and stop	

Part C: Decision

- **Green / Amber / Red:**
- **Owner name and role:**
- **One protection or localization issue:**
- **Manual fallback if AI fails:**

Part D: Action plan

One safe action before Session 2:
