Facilitator reflection log

Facilitator reflection log

Illustrative training-design sample. Not a record of delivered work. For facilitators only. Do not store participant names in this log.

Session entry (one per session)

Field	Record
Date	
Session (1, 2, 3, clinic, or short activity)	
Attendance count (numbers only; never names)	
Timing vs plan (on time / behind / ahead; minutes if behind)	

What worked

[notes]

What to change next time

[notes]

Misconceptions seen

[notes]

Questions to follow up (without information that identifies a person)

[notes]

Accessibility adjustments used

[notes]

Language needs (English and French)

[notes]

Safeguarding (no personal details)

Record only one of:

- ☐ No concern
- ☐ Escalated under the protocol

End-of-series synthesis

Complete after the final session or clinic.

Question	Notes
Overall pacing across the series	
Materials that need revision	
Technology or access issues to fix	
Aggregate themes from session evaluations	
Handoff to hosting organization (aggregate only)	
Follow-up actions (transfer survey, report, policy ask)	

Link this log with the facilitator delivery guide cut lists and the 30-day transfer follow-up schedule.
